Merging or deleting a group

Reasons for this could be

- An email list was temporary (e.g. project that has finished)
- Local group isn't functioning any more
- You might want to merge two smaller local groups to form a bigger stronger one.

For any requests like this, please contact the Data Team

Please don't struggle trying to download and reupload email address. This can be done in a quicker and easier way by the Data Team. Don't be afraid to ask for help on things like this. We're here to help.
