Useful fields and questions

Very much a work in progress - page just started. All these questions are available throughout the UK network

GDPR consent

Please include on every from and to 'required'. Tags a subscriber with **GDPR_Policy_V2**

Which Region

Drop down menu of options of every region and an 'other/nomad' category too.

Principles and Values

This give a link to the P&Vs on the website and asked for use to tick if they agree with them. Then it tags them with **P&Vs_agreed**

Mattermost Handle

This is a free text field for someone to enter their mattermost handle.
