

XR UK Arts Contacts

XR Art groups and creative communities are growing across the movement. These groups are at the **heart** and **soul** of actions and outreach; ranging from **XR Design**, **Art Blockers** and **Paint The Streets** to **Sound & Music** and **Theatrics**.

Graphic design (Art group) and Content Creators team (video, photography etc) circles sit within M&M. The UK-wide Creative Circle sits within UK Actions. They work closely together.
