## Local Group Pack

- Why run an assembly
- What to think about before launching your assembly
- What training and support is available

## Support Form

Fill in **this form** to let us know that you are running a Community Assembly. It contains questions to help Gardeners identify what kind of support you might need: Facilitators, experts, funding and so on.

We will:

- Put you in touch with an assembly expert
- Find you an assembly facilitator if needed
- Provide financial support if needed
- Share any new training and guides with you as soon as they're out.

## Community Assembly Manual

- How to plan and organise your assembly
- How to decide on an assembly question
- How to facilitate and moderate an assembly
- How to follow up an assembly
