

Inviting Rebels to the Hub and Mattermost

New Rebels can find out about using the XR Communications Hub [here](#).

Ask the **Group Admin (formerly known as Tech Champion)** for your group / team to send a Hub invite to your new Rebel member using their personal email address. If you don't have a Group Admin / don't know who your Group Admin is, then please email tech@rebellion.earth letting Tech know what you need, i.e. the name of your Group Admin or your Regional Admin.

If you have more than one new Rebel member, multiple invites can be sent in one go, just make sure you put each new Rebel's email address on a new line in the invite box. You can also add a personal message to your invitees in the Message box. (See image below)
