

Visuals Generator Aktivisda (Vizgen)

The Visuals Generator (Aktivisda) is a web application which will create custom images with words and coloured backgrounds. Generate a XR-branded poster or banner in minutes!

<https://extinctionrebellion.aktivisda.earth/>

It has now been rebranded as Aktivisda. The older version 2 Vizgen is still available at:

<https://extinctionrebellion.fr/vizgen/#/>

How to use the new version of Viz Gen (Aktivisda)
