# Street Scripts and other useful links

This is the current list of street scripts

**Please note: The OnlyOffice versions are on the XRUK Cloud so please give them time to load.**

If a script needs updating please either use the [Talks and Training Reception](#) channel on Mattermost, or email [XRUK Talks & Training](#) and request the update.

Please read the **Access Guide** to help make your talk inclusive, and the **Guidance for Speakers** before delivering a street talk.

- [Access Guide](#) (OnlyOffice)
- [Access Guide](#) (Google)
- [Guidance for Speakers](#) (OnlyOffice)
- [Guidance for Speakers](#) (Google)
- [Citizens' Assembly Street Talk - 2 and 5 min versions](#) (OnlyOffice)
- [Citizens' Assembly Street Talk - 2 and 5 min versions](#) (Google)

- [Paper Sign-up Form and QR code for the UK Newsletter](#)

Link to all the scripts in the XRUK Talks & Training public library folder on the XRUK Cloud [Street Speaker Scripts](#)

# Guidance for Street Speakers

Select this link for [the Street Speakers' Guidance](#) (OnlyOffice). Wait for the document to load.

You'll be able to download it and open it in Word or use the [Google version](#) if you prefer.

The guidance covers as many options as possible however if you feel something is missing or have useful tips and hints, please email [XRUK Talks & Training](#) with your suggestions.

# Train the Trainer (to train Street Speakers)

**Guides for those who want to train Street Speakers**

[Train the Trainer Training \(for training Street Speakers\)](#) - video guide (39mins)

# Train the Street Speakers

**This guide contains everything you need to train Street Speakers**

- [Guidance Notes and Script for Training the Speaker](#) - Google doc version (view only)
- [Guidance Notes and Script for Training the Speaker](#) - Cloud doc version (opens slowly - you can download this and open in your own Word application and then makes notes on the script)
- [Guidance Notes and Script for Training the Speaker](#) - Cloud PDF version (opens slowly - either read from your screen or download)

# Guides: Create Zoom Registrations (multiple events) & Publicise Everywhere

Visit this [page on the Rebel Toolkit](#) for how to:

- Create one Zoom registration link for multiple events
- Edit the events (time/date)
- Add more events to the same link
- Send out a reminder email to anyone registered [with additional written guide]
- Create a short link for your Zoom registration link to add to your publicity
- Request events to be added to the [Movement Calendar](#)
- Request comms support for your event
- Publicise your own events - XRUK and XRGlobal
