

Guides: Create Zoom Registrations (multiple events) & Publicise Everywhere

Visit this [page on the Rebel Toolkit](#) for how to:

- Create one Zoom registration link for multiple events
 - Edit the events (time/date)
 - Add more events to the same link
 - Send out a reminder email to anyone registered [with additional written guide]
 - Create a short link for your Zoom registration link to add to your publicity
 - Request events to be added to the [Movement Calendar](#)
 - Request comms support for your event
 - Publicise your own events - XRUK and XRGlobal
-
