

Direct Support For Rebels

Local Group Support This circle supports XR groups across the UK, brought together by community, location or other affinity and includes teams such as
Local Group Development
3.5 Campaign
Rebel Toolkit
Gardeners - helping groups at the local/regional level, to recruit and grow

(that leaves Reactive, Disabled Rebels Network, Connecting Communities)

Pathways This circle helps to bring people into the movement ... and keep them! It includes teams like
Talks & Training
Rebellion Academy
Rebel Ringers

Relationships Facilitates and nurtures our relationships with movements outside of XR whose objectives overlap with ours, in order to increase collective pressure on the UK Government to meet XR's Three Demands. These movements must be Nonviolent and may not use Direct Action.

Feedback and Learning Seeks feedback from rebels and groups to learn and improve, by running, analysing and publishing surveys.
