

New Members [Rebels] - Resources

☐☐ Hello and Welcome to XR

Thank you for stepping up.

You may have been motivated to join XR because you've decided that you must take action now. Or maybe you simply want to find out more about XR and increase your knowledge of the Climate and Ecological Emergency (CEE). Within XR we acknowledge that our increasing awareness of what we're all facing can sometimes lead to feelings of anxiety and sadness and many struggle with these emotions.

This [1.44 minute video](#) made by a new member - Shelley - might help reassure some of you.

For some, making connections with other rebels helps hugely; we are not alone anymore. Joining in, and trying to be part of the solution, is empowering and liberating since 'Action brings hope'.

XR is also a family with lots of support available when it's needed. XR's [Trained Emotional Support Network \[TESN\]](#) offers the Rebel2Rebel active listening service and how to access 3 free sessions with the Climate Psychology Alliance.

There are also XR support groups such as Listening Circles and Empathy Cafes, as well as lots of courses and support from the Regenerative Cultures Team. You can find these in a number of places, such as the XRUK website Events page, Facebook and on a chat app that XR uses called Telegram - a bit like WhatsApp. All the links you need are below.

To see **ALL** XRUK events, including actions, local group activities, training etc.

You can view the [Movement Calendar](#) on a platform called Teamup.

If you prefer to use an app, you can download that from the Playstore or AppStore and then open our Movement Calendar within the app.

☐☐ You can view the whole calendar, or any part(s) of it.

☐☐ Click on the left hand colour bars to show or hide one or more calendars.

☐☐ Use the search box to filter local events that interest you (note that secret actions are not include

in public view).

Got an action, event or announcement to bring to the calendar?

The Welcome to XR Team

Organising Can Cost ALOT

Thank you all so much for reading this.

Extinction Rebellion relies on people like you to keep up the fight and the hope is you choose to become involved with XR in whatever way you can.

We have lots of roles and if you haven't yet found your place in XR, we'll find one that allows you to make the best contribution - check out the [Volunteer website](#) for the roles currently being advertised or you can create an account and add your skills, experience and amount of hours you can volunteer so groups can contact you.

We do have one more thing we'd like to ask you. XR is funded entirely by generosity, and without you all we couldn't do our work.

As you can imagine trying to save the planet is pretty costly. Fossil fuel companies and polluters have their claws deep into government and are spending millions lobbying politicians to fight legislation that will impact their profits. Basically, they want to make sure it stays business as usual. We can't let this happen, so we're asking for your help.

We want you to become an XR regular giver. They are the most important givers as you allow us to make plans and act in ways that are most effective. We're asking for just £5 a week, but it makes such a difference, if you can give a little more even better or you can choose a donation amount that works for you. All you have to do is either scan the QR code below or visit [Donate For Life](#), and it'll take you to the page where you can become a regular giver. You can give for as long as you feel you can, all the details for contacting XR when you feel you've done your bit, is in the email we'll send you and it's so appreciated. So grab your phones, give it a scan and give us the support we need to keep up the fight for the future. Thank you!
